All in One with Mobility for Your Ever-Changing Business

VariPOS 210 dares to present a new hybrid of Mobility and POS System that gives Flexibility a new meaning to the Hospitality and Retail businesses.

Business Anywhere, Anytime

VariPOS 210 conforms to the way you want to do business regardless of the need or environment by providing uninterrupted service to your business using swappable 10,000mAh power bank supporting up to 6 hours as your power source option.

POS Hybrid at its BEST

Aside from the full range of peripheral offerings, VariPOS 210 is designed to work with VariPad S POS Tablet that can act as a 2nd Display or an independent mobile device instantly increasing efficiency during peak business hours.

Sleek and Powerful

VariPOS 210 is an elegantly styled fanless POS system that comes fully equipped with Intel Bay Trail-T (CR Z3735F), 14" True Flat Wide Screen with P-Cap and Powered USB connections operating on Windows Embedded 8.1, promoting optimal performance and minimum power consumption without compromising on design.
